

Advanced Networks and Telecommunication Systems (ANTS) 2007, Dec. 17, 18, 2007, Mumbai (Bombay), India

Call for Participation

First International Symposium on **Advanced Networks and Telecommunications Systems (ANTS) 2007**,

December 17, 18 Mumbai (Bombay), India

Website: www.antsconference.org

Technically co-sponsored by the **IEEE Communications Society**

Broadband access networks are witnessing a convergence in terms of both technologies and services. Next-generation services demand unified technologies spread across the physical, data-link, and network layers. Integrated platforms have benefits in terms of deployment cost as well as the ability to provision new services. To investigate these problems at the optical (physical), data link SONET/SDH/Ethernet/RPR), and the network (MPLS, IP) layers, the First Symposium on Advanced Networks and Telecommunication Systems (ANTS) 2007 is being organized.

- We invite you to **two days** of intellectual stimulation with thought-provoking talks, interactions and networking opportunities.
- **Three exciting Keynotes** from **Dr Krish Prabhu** (CEO of Tellabs), **Mr. Subrahmanyam P** (SVP, Wipro) and **Charles Kawwas** (VP, LSI Inc)
- **Over two dozen invited talks** including: **Jayshree Ullal** (SVP, Cisco Systems), **Jin-Yi Pan** (CTO, Nokia Siemens Networks Transport Systems Ltd, China), **Kamran Sistanazadeh** (CTO Yipes), **K. C. Chua** (National Research Foundation Singapore and NUS), **Dominic Schupke** (Nokia Siemens Networks, Germany), **Maurice Gagnaire** (Faculty, ENST France), **Aravind Sitaraman** (India MD, Cisco Systems), **Deepak Kataria** (Director, LSI), **Admela Jukan** (Faculty, Technical University Carolo-Wilhelmina at Brunswick, Germany), **George Rouskas** (Faculty North Carolina State Univ. NCSU, USA), **Suresh Subramaniam** (Faculty, George Washington University, USA), **Abdul Kasim** (VP, Adva Optical, USA), **Tushar Saxena**, (Director, Verizon), **Sameer Padhye** (VP, Cisco Systems), **Vijay Jain** (VP, Ericsson), **Jonathan Casey** (International Marketing Director, JDS Uniphase), **Lakshman Tamil** (Faculty, UT-Dallas) **Subhash Dhar** (Head CSP, Infosys), **Raghuveer K** (Head, Solutions group, Infosys), **S. Allimatti** (CTO, TechMahindra), **Jay Teborek** (Teknovus), **Neeraj Soker** (VP, Engineering, Tata VSNL), **Arvind Mathur** (Chief Architect, Sify) **Shahul Hameed** (Head OSS/BSS, TCS), **Chris Buchanan** (Nortel), **Mohammed Atiquzzman** (Oklohoma Univ) and **Weiqiang Sun** (Shanghai Jiaotong Univ. China).
- **Two intriguing panels** - one on **Service Providers** and another on **Telecommunication Opportunities in India** featuring a debate amongst a collection of vendors, providers and technologists.
- **34 contributed papers** from leading researchers from industry and academia.
- A **poster session** on latest technologies in telecommunications
- An **industry exhibit** showcasing the latest products in the industry.

For registrations: <http://www.antsconference.org/ants-reg.htm>

- special domestic participant registration rates beginning from **USD 125 (INR Rs 5000*)** and student rate **USD 40 (INR 1600*)**
- foreign participation registration rates beginning at **USD 125** (students) and **USD 250** (regular)

Join us in Mumbai, India this December 17, 18, 2007 to witness the latest advances in telecommunications!

Sponsors: **IEEE Communications Society (COMSOC), Cisco Systems Inc, JDSU Inc., LSI Inc. Nokia Siemens Networks and Wipro Ltd**

Academic sponsor: Department of Computer Science and Engineering, **Indian Institute of Technology, Bombay**

General Chairs

Biswanath Mukherjee, University of California at Davis, USA
Ashwin Gumaste, Indian Institute of Technology (IIT), Bombay,

Technical Program Committee Chairs

Nasir Ghani, University of New Mexico, Albuquerque, USA
Mohan Gurusamy, National University of Singapore (NUS)

Publicity Chairs

North America and Europe: Byrav Ramamurthy, University of Nebraska, Lincoln, USA

Asia-Pac: Yaohui Jin, Shanghai Jiaotong University, China

India: Members of Gigabit Networks Laboratory, IIT Bombay

Keynote Chair

Lakshman Tamil, UT-Dallas, USA

Panel Chairs:

Girish Saraph, IIT Bombay and Vegayan Ltd, India
Deepak Kataria LSI, USA

Praveen Chathnath Wipro Ltd., India

Publications Chair

Srinivasan Ramasubramanian Univ of Arizona, USA
